We are excited that Girl Guides in WA will again have our very own JOTA-JOTI station this year!

Guide units of all ages are invited to join us for our JOTA Event! We will be running a number of 2-3 hours sessions over the weekend, so Guides can see what JOTA is all about!

Communicate with Guides and Scouts from around the world, learn about our global movement, learn code and signalling plus lots of other fun activities!

\$7 per Guide (\$2 for Adult's badge)

Bring enough adults for own ratios to help run activities

Register with estimate of numbers before 9 Oct. - First in, best dressed.

Have questions or want more info - let us know!

14+ We particularly want to get 14+ Guides involved!

- 14+ Guides don't need to attend with unit or leader.
- They can come whenever it suits them between 10am Saturday and 4pm Sunday- it doesn't have to be for one particular session.
- All 14+ & Olaves are invited to sleepover for best communications with people on different timezones

Register by 9 Oct.

TO ANSWER SOME QUESTIONS...

What if a Leader can't attend with our unit?

No problems, all you need is enough adults to cover the ratio of those attending from your unit. Having a Qualified Leader or First Aider isn't needed, so this could be parents. The adults will however, be expected to help run a basic activity with instructions provided.

My Guides aren't in that age range, can they still come?

Absolutely! The age ranges are just a rough guide. The activities for each session will be a little different, but everyone should be able to get involved with any session.

Only a few of our Guides are interested, is it still worth it?

YES! Even if you only have a few Guides interested, they will be able to get involved and take back ideas and stories to the unit. Plus, they can make new friends with other units attending. Get in contact if you are struggling for leaders to attend with only a few Guides.

Can I attend as an Adult Member without a Guide Unit?

You are most welcome to come along on your own if you want to see what JOTA is about. You will need to sign in and out, and be prepared to "go with the flow" of whatever we may be doing at the time. Register so we know to expect you
